WARNING: Reading May Be Hazardous To Your Health The principal of Jill and Gwens school promised to spend the morning on the roof if the kids read one thousand books during their reading marathon -- and they did! Now hes on the roof, and hes going to read an original science fiction story Gwen wrote. But he could fall off the roof is he doesnt stop sneezing. Is it a coincidence that Gwens story is about aliens who live on roofs and make humans sneeze? Fletcher knows that Gwen would never pull a dangerous practical joke just to make her story come try.
