

Roar!

A moonlit tale of friendship and play. It is nighttime in the savanna, which means that it is time to play for one rambunctious lion cub! The cub tries to make new friends with the hippos and the giraffes, but roaring at them only chases them away. The young lion is about to give up, but when a rabbit accidentally mistakes the cub's tail for a carrot, the lion realizes she might have met her match, in all the right ways.
