

## Sex, Lies and Sabotage

From relationship sabotage to relationship transformation, learn the many ways that you may be preventing yourself from having the relationship of your dreams. When women don't operate from a place of self-love, they tend to come from fear in their relationships and this gets played out as old patterns and insecurities, leading to various forms of self-sabotage. With increased awareness, transform yourself along with the dynamics in your relationship in order to create a happy, healthy and loving union with your mate, as well as a fulfilling and loving experience for yourself.
