

## Silly Spider!

Silly Spider is in the bathtub . . . under the soap . . . and behind the towel. Chase Silly Spider around the bathroom in this hilarious companion book to Honeybees Busy Day, Ladybug on the Move, and Little Chicks Big Adventure. When Silly Spider finally slips his little body out the back cover, flip the book over and start all over again! David Wood and Richard Fowlers lively, simple text and fun flaps to lift will make young ones clamor for more silliness.
