

Application Of Bid Documents: Terms & Conditions Of Tender

This book is specially designed for Entrepreneurs or Professionals who shall build Treat & Fabrication Industries with regard to the buying of technology license (design process technology) and Engineering Procurement Contract. Why did the author write this book? The reason behind all of that were some entrepreneurs unpleasant experiences that the author ever knows in building projects auto-didactically that caused suffering a heavy loss. By establishing this book its to be hoped can help to prevent a loss in building those projects. Its necessary to pay attention that most Licensors and Contractors do not recognize market demand on products will be produced. Theyll just think of building manufactures only and will take profit enormously. Form of bid documents in projects construction is divided into 2, namely: 1. Semi Turn Key; 2. Lump Sum Turn Key: a. General Package, b. Additional Package. www.harmaizar.com
