

# The Art of Sex Coaching: Expanding Your Practice (Norton Professional Books)

This is the essential resource for professionals seeking sex-positive approaches for their clients. Britton shows therapists and counselors how to move their practices fully into sex coaching or simply integrate sex coaching techniques for encouraging sexual self-understanding, growth, and pleasure into their existing therapeutic work. Based in the empirical science of sexology and adapted for practitioners looking to enrich their work and enlarge their client base, *The Art of Sex Coaching* covers what professionals need to know in order to participate in this exciting new field of coaching.
