

## The Broken Cart (The Artt of Early Learning Series Book 5)

Smart Artt is going to the circus. He loves to point to the animals in his circus book when Poppa reads to him, but today he will be able to point to the REAL circus animals. If you know Smart Artt, things dont always go as intended, but dont worry Smart Artt has a plan. Will it work or will things get a little bit out of hand? You will find out when you read this book, the fifth book in the Artt of Early Learning Series of childrens books that were written to promote growth and development by informing parents about the importance of developmental milestones, in the time it takes to enjoy a fun childrens story. This series is written for children from birth on up. Expecting parents can also benefit from the information in this series. The books are also written with simple words that your child will love to read over and over again as they continue to grow. Someday they may even share the stories of Smart Artt with their own children as they themselves learn the importance of early learning that can help every child. Kids love Smart Artt and you will too!
