

Blackbird Summer (Blackbird Series Book 1)

When the world fears you, being Gifted is a curse. In the cornerstone of the rural south, Brooklyn, Mississippi, no one dares make eye contact with the strange Caibre family. Until the rewards are worth the cost. The townsfolk come, cash in hand, always at night, to pay for services only a Gifted can provide. No matter the Gifts prevalent in her family, at twenty-one, Tallulah is expected to follow the path laid out for her: marriage, babies, and helping her mama teach the family home school program. Shes resigned to live the quiet life and stay out of trouble until she meets Logan. An outsider and all around rebel, Logan doesnt care about her familys reputation. Yet after a tragic loss wreaks havoc on the crumbling relationship between the Caibres and the townsfolk, Tallulah must decide if love and freedom are worth risking everything.
