

The Kingfisher Book of Toy Stories

A rich toybox of a book, bursting with colour and fun! Toys are central to childhood: all children have favourite toys and adore imagining their adventures in their miniature toy world. There is a strong tradition of toy stories in childrens literature, and this gorgeous book contains eight of the best - tales in which dolls, teddy bears and toy soldiers hold centre stage. The classic content and playful approach of the art and design make it a clear winner. Full of verve and variety, this irresistible collection is perfect for sharing with any child.
