

The Storytelling Princess (Picture Puffin Books)

This princess may be lost, but she's not helpless. Swept overboard on the way to meet the prince her parents have chosen for her to marry, a princess seizes the opportunity to decide her own future and turns a twist of fate into a wildly entertaining adventure. Rafe Martin and Kimberly Bulcken Root combine their award-winning literary and visual talents in this energetic and original celebration of storytelling, imagination, and destiny. Illustrated by Kimberly Bulcken Root.
