

Think Sex

We've been sold one of the biggest myths of all time--that sex is physical. Forget it. Great sex starts in the mind. Once you think sex, body, soul, and spirit fuse for fantastic lovemaking. Think Sex reveals the seven secrets of the mind/body connection, how your mind activates sensual and sexual impulses, and how your emotions enhance your and your partners arousal. Appropriate for anyone interested in enriching their sex life, Think Sex proves imagination is everything!
