

Tiny Tots Tarot: Major Arcana

Ancient Wisdom...Cuter.The Tiny Tots Tarot is the Classical Tarot when they were very young. Here are the twenty-two cards of the Major Arcana, presented for your inspiration, meditation, and enjoyment. These whimsical pictures are for children, former children, and all who are young at heart. More than a Kids Tarot, it is inspired by the traditional symbolism of the Rider/A. E. Waite/Pamela Coleman-Smith Tarot Deck. These friendly images are presented in a clear, innocent form. Independent artist David Myriad created these delightful images, here seen in glorious shades of Grey -- perfect for the Kindle 2. Poet Susa Morgan Black provides accompanying verse from her Tarot Ramblings poetic cycle, charmingly expressing the inner meaning of each card. Can you come out and play?
