

# Radical REVENUE: The Truth About Why Attorneys, Doctors, Dentists, Therapists + Other Solo Practitioners NEED Leverageable, Scalable, Outsourceable ... a Trailblazer & Create Unlimited Cash Flow

If you are an Attorney, Doctor, Dentist, Therapist or Other Professional Solo Practitioner & Small Firm, quietly asking yourself, if it ever gets easier. Can YOU DARE to open your mind to the radical possibility that. Everything Everybody Has Ever Taught You Or Now Peddles About Successful Marketing, Branding or Building Your Practice or Firm is WRONG??? RADICAL REVENUE dares you to RE-THINK your practice as a service professional. Of course, if you're completely and thoroughly satisfied with your success, status, income, workload and are living anxiety free without worrying about generating new prospects and clients, then simply ignore this book. Take a look at what everyone else in your industry is doing, then do the complete opposite. You'll probably be very successful. Dan Kennedy This is NOT another PPC or SEO how to book. You won't get any talk of networking to get more referrals and/or how to get ranked in trade journals. If you are looking for that, this book is NOT FOR YOU! This book is about creating a new way to connect with your prospects and clients that isn't salesy or feeds the usual stereotypes of Lawyers, Doctors, Dentists and Therapist Discover Why Marketing Whiz Seth Godin states- Playing it safe. Following the rules. They seem like the best ways to avoid failure. Alas, that pattern is awfully dangerous. The current marketing rules will ultimately lead to failure. In a crowded marketplace, fitting in is failing. In a busy marketplace, not standing out is the same as being invisible. AND What You Can Do About It Now! - If You Desire to Boost Your Online Presence without Being Salesy in this book, Tiphonie gives you real actionable ways to do so. - If You Hate Marketing Tiphonie shows you how to go from shameless self-promoter to Selfless Problem Solver. - If You Want to Serve Your Clients and Patients at the Highest
