

## Happiness: 17 Simple Keys to Happiness in Your Life (Happy, Happier, Gratitude, Positive Thinking)

Discover Proven Methods to a Happier, More Fulfilled Life Everyone wants true happiness. Isn't that what we as human beings were put on this Earth to discover? I certainly think so, and that's why I've written this book to lay out the what I believe are the 17 most important pillars to achieve just that. There are a lot of sources in books and throughout the Internet that do provide some value. This book seeks to combine all of that information and give it all to you in one package. These strategies will not only give you the tools to a better and enriched life, but they'll tell you exactly how to apply them too. Everything we go over in this book is scientifically backed by research. Nothing we cover is just something we think will work. Rather they are things that have worked for thousands of people that want to feel happier and were certain it will work for you too! Here is a Preview of What You Will Learn The Power of Meditation Surrounding Yourself with the Right People Cultivating Gratitude The Importance of Setting Goals Embracing Nature And Much, Much, More... Take action and begin your journey to a happier, more satisfied life today for just \$1.99!
