

## Why Do Horses Neigh? (Easy-to-Read, Dial)

Whether to learn more about a source of interest or a family pet, these two fun and fact-packed books offer an intriguing and useful look at the history, characteristics, and behavior of five different animals-horses, rabbits, guinea pigs, hamsters, and gerbils. Just right for on-your-own reading or school reports and projects, each book features dozens of full-color photographs and drawings-and some surprising reasons for all those neighs. Illustrated by Anna DiVito.
