

MLM: Network Marketing For the Rest of Us

MLM: Network Marketing For the Rest of Us provides a no nonsense reality check of what it takes to succeed in multi level marketing when you're not a mega rock star, you're just the average guy or gal wanting to make good money in network marketing. Let's be honest, there are far more people not making a dime in MLM than there are yacht buyers. The author joined her first MLM when she was still in high school. She offers no MLM hype or pie-in-the-sky. What this book does provide are concrete steps, creative approaches and simple strategies that allow you to interject your personality into your network marketing. It also shows you how to use Internet marketing to build your downline and discusses why so many people can't get their network marketing businesses off the ground. No matter how long you've been at it or what the MLM organization you will find this book packed full of gems. The author is not currently associated with any MLM so you can rest assured that this book has no slant or hidden agenda.
