

## Two Foals, a Dash of Sprinkles and a Cherry on Top!

Two Foals, a Dash of Sprinkles and a Cherry on Top! is the charming tale of a precocious young girl named Madison, who is quick to discover that first appearances aren't always what they seem. After the birth of two foals on the family farm, Madison is alarmed when she realizes that one of the babies is completely covered in white spots. Madison is concerned that the new foal is sick, so she seeks out her Grandpa for advice. Grandpa decides the time has come to tell his granddaughter the real story of why some horses have spots.
